

Product Description:

DVI Gear's High Resolution Dual-Link DVI (HRD™) cables provide exceptional performance and reliability for a wide range of display applications. These cables are designed to interconnect high-speed Dual-Link DVI signals with bit rates up to 3.30 Gbps over cable distances up to 10 meters while maintaining pristine signal integrity.

Key Features:

- Supports pixel clock rates up to 165 MHz; supports PC data rates up to 3.30 Gbps.
- Supports PC resolutions up to 3840×2400 / 60 Hz
- 26AWG copper wires for minimum insertion loss
- Ultra-low Inter-Pair and Intra-Pair Skew guarantees unsurpassed digital fidelity at all cable lengths
- Triple shielded for superior noise immunity
- UL Rated: UL13 (CL2) and UL758 (AWM20276); suitable for In-Wall applications
- RoHS compliant (green friendly)
- Gold plated connectors
- Outside Diameter = 10.50 ± 0.30 mm
- Available Types: Dual-Link DVI-D Male to Dual-Link DVI-D Male
- Available Lengths (meters): 0.3, 0.5, 1, 2, 3, 5, 7.5, 10
- Available Lengths (feet): 1.1, 1.6, 3.2, 6.6, 9.8, 16.4, 24.6, 32.8
- Custom cable lengths are available on request
